## ON THE COVER

*The artistry of:*

*Svetlana Sorokina*

*In her own words:*

This painting was acrylic on canvas done several years ago. It reflects the spirit of Afghan Hound, as the artist sees it: beautiful and elegant, bright and joyful, brave and proud, clever and empathic and much more...

About the artist: Svetlana Sorokina is sighthound owner and artist, who lives in Ukraine. She paints sighthounds on canvas, wood and leather. Afghan Hounds are one of her favourite breeds. So, if you consider a piece of art with a portrait of your beloved Afghan Hound to be done, there are several options, for example, it may be original painting, or wall clock, or bag painted by hand from the photo of your dog.

Svetlana also offers some of her items as gifts or trophies for dog shows or competitions.

To see more of Svetlana's art, or to order an item, visit her art page on Facebook: Svetlana Sorokina Art.

## CORRECTION

We sincerely apologize for the layout errors in the December 2025 issue regarding the National results. Please note the following corrections:

**Page 13:** Bottom left "Best Veteran" While the text is accurate, the photo is incorrect and duplicative of the correct information for Best Veteran from the photo on the bottom left of page 12

**Page 14:** Top right photo "BOS in Veteran Sweeps" winner is correctly identified by name - the photograph is wrong as no photo was taken for this placement.

We regret these oversights and any confusion they caused.

# A New Look for a New Century!

Happy New Year to our Topknot News family!

As we turn the calendar to 2026, we find ourselves at a truly historic crossroads for the Afghan Hound. This year marks a monumental milestone: 100 years of American Kennel Club recognition. Since 1926, this breed has done more than just grace the rings; it has defined an era of elegance and athletic prowess that we feel remains unmatched in the hound world.

To honor this "Century of Style," you'll notice a refreshed layout format throughout this issue. We've redesigned our pages and masthead blending modern aesthetics with timeless sophistication. We hope you like the new look!

To kick off this "Century of Style," we are deeply honored to feature a special tribute on page 9 from **Gina DiNardo**.

As the first woman to lead the American Kennel Club, Gina brings a unique perspective on the stewardship required to preserve such a storied breed. We are incredibly grateful for her warm words and her recognition of the breeders and fanciers who have safeguarded the Afghan Hound's integrity for the last ten decades. Her leadership is a testament to the same "proud carriage" we admire in our hounds, and we thank her for guiding the AKC into this new century with such vision.

Speaking of new chapters, we are also thrilled to welcome **Michael Canalizo** as the new President of the Afghan Hound Club of America. Michael's

lifelong dedication to the breed is legendary, and his transition into this leadership role signals an exciting era of renewal and energy for the AHCA.

Between celebrating our rich heritage and embracing this fresh leadership, there is a palpable sense of momentum in our community.

This year is about more than just looking back at a century of excellence; it's about the passion that ensures the Afghan Hound remains a "symbol of distinction" for the next hundred years.

We're so glad to have you on this journey with us!

# President's Message

As we welcome the New Year, we indeed realize just how many new years the AHCA has ushered in. As your newly elected President I am excited to be able to bring to the members many years of my close involvement to the Afghan Hound in most every aspect possible.

My 60+ years have been associated with AHCA events as a spectator, exhibitor, judge and member. I come into this position poised

with a reminder of many past AHCA legends that I knew personally through their many years of service to the club. I share the opinion that our club steadfastly holds to the distinguished history of the AHCA to uphold, honor and protect the integrity of the Afghan Hound. I have witnessed as the breed grew from an exotic stranger in a strange land, to being embraced by some of the most unique people of the time. I witnessed their rise in popularity and all that it encompassed, as well as their steady abatement. We should all understand that our breed is not experiencing these changes alone. Many in the pure-bred dog world are addressing this shift worldwide.

Over these many decades we have had so many talented and smart members who donated their time and expertise for the mutual benefit of the breed. I look forward to the AHCA to continue tapping those resources as our officers, committee heads and members... who are the "heart and soul" of the club. The membership has shown they can pivot when needed to address all that impacts the breed while remaining true to the AHCA Constitution, By-laws and Objectives.

I look forward to working along with this new slate of Officers to continue to work on behalf of the Afghan Hound in every aspect of enjoyment: in ownership, breeding, competition and in the many varied areas the breed excels.

Clearly it was a wonderful time with **AKC Meet the Breeds** at the Javits Center in New York City this February. With over 35,000 visitors, the booth was buzzing with fun and fur.

A massive thank you to the incredible teams who shared their beautiful hounds with the public.

AHCNNJ President, **Christina Farrar** and the lovely "Kit" (GCh. Jabir Coupd'e'tat Doja Kat) started off strong on Saturday, followed by the amazing "Meet the Breeds Dream Team" on Sunday!

We are so grateful to **Samantha Uber** and her girls, Kalei and Violet,

for their dedication and to **MaryAnne Giordano** for capturing it all in her wonderful photos and notes.

These ladies were absolute stars at sharing their love and knowledge of our breed with every visitor. Thank you!

# A CENTURY OF STYLE

For 100 years, the Afghan Hound has graced the American Kennel Club with a presence unlike any other—an enduring symbol of elegance, athleticism, and timeless breed type.

Since its formal recognition in 1926, this remarkable hound has captured the imagination of judges, exhibitors, and admirers with its distinctive silhouette, proud carriage, and dignified temperament.

Yet beyond its undeniable beauty lies a rich heritage shaped by devoted breeders and fanciers who have safeguarded the breed's integrity through thoughtful stewardship and unwavering commitment to the standard. The Afghan Hound's

journey within the AKC reflects not only its historic roots, but also the passion of the community determined to preserve its character for generations to come.

As we celebrate this "Century of Style," we honor both the breed and the people behind it - those who have championed its excellence in the ring, protected its legacy at home, and ensured its future through careful preservation. On behalf of the American Kennel Club, congratulations to the Afghan Hound Club of America on this extraordinary milestone and on a century of distinction.

environment; Scentwork Container Novice (SCN), Scentwork Interior Novice (SIN), Scentwork Exterior Novice (SEN), Scentwork Buried Novice (SBN). This means to achieve the overall title of SWN each team has to qualify 12 times. Teams may continue to compete at this level to garner the Elite title. To do such the teams must qualify ten (10) times in each of the four (4) elements, or 40 qualifying scores. Doing so will gain them the respected Scentwork Novice Elite (SWNE) title

As with all Companion Events, the higher level the more difficult it becomes. Novice searches are only searching for one (1) essential oil. The handler has to indicate to the judge when the dog has "alert"ed to where the essential oil is. There is a time limit with each element ranging from 1 - 4 minutes depending on the element. Each element at this level has no distractions other than the Buried and Container element where they have to decipher 6 - 10 containers.

While we may have Sighthounds, we can all agree how good their noses work. AKC Scentwork is divided into two sections, the Odor Search Division and the Handler Discrimination Division. For now, we are going to focus on the Odor Search Division. This is where dogs are looking for one or more specific essential oils. This is further broken apart by the type of element they are working with; Containers, Interior,

Exterior, Buried. To obtain one of these titles, the team must qualify/pass three (3) times. Furthermore, to gain the overall title for that level, one must achieve a title in each element.

Let's check out the Novice level. The overall title they are trying to get is Scentwork Novice (SWN). To get this title, each dog and handler team have to qualify three times in each

In 2025 only one Afghan Hound and handler team have achieved the coveted SWN title. That team is non other than AHCA member Toni King with GCH CH Polo's Chanson Noire A Bakura CD, BN, RE, SC, BCAT, ACT1, SWN, CGC, TKI, ATT, FITS, "Nina", a then 8.5 year old female. This is to not look over the 14 other Afghans who also competed in Scentwork and earned either legs or titles since the induction to AKC in 2017.

## SPOTLIGHT ON

# JUNIOR SHOWMANSHIP

By: Darla Miller,  
Junior Showmanship Chair.  
Darlam723@gmail.com

AKC has challenged breed clubs to get more juniors showing our breeds. As Junior Showmanship Chair, I am reaching

out to my fellow AHCA members and friends to join me in sharing pictures and stories of our future owners, breeders, and lovers of our beloved Afghan Hounds. To kick this off, I share three young individuals with three different experiences who have

caught my eye in the limited shows I have been able to attend this year. I asked them to share their journey and why show an Afghan Hound. Let me introduce.....

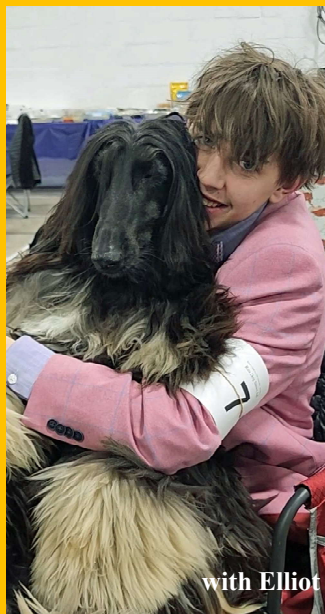

**Olivia Betancourt**

with Thomas

*Olivia is 11 years old, proud parents are professional handlers who show multiple breeds. We ask: Why an Afghan Hound? I really enjoy showing Afghans. They are elegant, but at the same time they have a special temperament. I think they are not the breed for everyone (Junior) because of that. I love the challenge to show one.*

**Damien Grouser**

with Elliot

*Damien is 17 years old. So Why an Afghan Hound? We have been a team for 18 months. Elliot is my first Afghan Hound and first show dog since 2024 when my grandfather and friends decided to purchase a puppy for me to train and show. It has been a fun experience for me and Elliot. I finished him in 10 months....not bad! I attended training classes and learned from fellow junior handlers. Showing in Juniors has given me more confidence personally and as a handler.*

**Arabella Hilla**

with Aurora

*Arabella is 11 years old. So Why an Afghan Hound? When I was little my Gramma got me an Afghan Hound puppy. I trained her. My Gramma took me to my first show when I was 5 and I got to show her in a puppy match. I love going to the shows to see all of the beautiful dogs and everyone is so nice.*

I am hoping this is only the beginning of putting the spotlight on our talented Juniors in the ring. I reach out to you all to encourage our young people in showing our beloved Afghan Hounds. AKC prohibits me,

even as Junior Chair, from getting the names of all juniors showing our breed due to confidentiality. So I ask you to link me up with those juniors you know who are showing our breed. With parental/guardian

approval, I will continue to put a spotlight on their journey as I am doing now and in the past in the Topknot News. I welcome comments or questions.
